VFS Global partners with Expedited Travel to provide US and Canada passport services in USA

VFS Global, the world's largest outsourcing and technology services specialist for governments and diplomatic missions has announced a partnership with Expedited Travel to offer **U.S. and Canada passport services** throughout the United States.

This collaboration allows U.S. citizens to conveniently access a comprehensive range of passport services, including new applications, renewals, and lost passport applications, at VFS Global locations. Applicants have the advantage of having their passport applications reviewed by experienced professionals prior to submission, helping in a quicker and secure application process. Additionally, VFS Global will offer support through phone, chat, and email, ensuring that inquiries are promptly addressed making it efficient and user-friendly for customers.

This service can easily be accessed across any of the ten VFS Global locations across the USA - Atlanta, Boston, Chicago, Houston, Los Angeles, Miami, New York, San Francisco, Seattle and Washington D.C.

Amit Kumar Sharma, Head-Americas, VFS Global said, "Our partnership with Expedited Travel represents a significant step forward in enhancing the passport application experience. We are dedicated to ensuring that the passport application process for U.S. and Canadian citizens is convenient and seamless. This partnership not only enhances accessibility but also streamlines the entire application journey, making it more user-friendly and efficient for applicants."

Charlie Cobb, Chief Operating Officer, Expedited Travel commented, "We're excited to expand our offerings to VFS Global customers seeking a great customer experience when preparing their travel documents. By joining forces, we're enhancing our global reach and providing a comprehensive solution that simplifies the international travel process. Our combined expertise ensures that travelers receive quick, reliable service, making their journey as smooth as possible."
